Report on Program Conducted

Program Details:

Sl. No.	Topic	Details
1.	Title of program	Keyboard Accessibility
2.	Date/Time	08.02.2020/ 10.00 AM to 4.00 PM
3.	Venue	Sri Shanmugha College of Pharmacy -Seminar Hall
4.	Name of the group institution that will participate	Sri Shanmugha College of Nursing for Women
5.	Number of Participants	12
6.	Resource person details	Dr.P.Nandhini Professor Dept. of Computer Science, Sri Shanmugha College of engineering and technology
7.	Description of the event	Keyboard accessibility ensures websites and applications can be navigated and operated using only keyboard commands, eliminating the need for a mouse. It requires all interactive elements to be accessible via keyboard, with clear focus indicators, options to skip repetitive navigation, proper focus management, and visual feedback for actions. This ensures that individuals with disabilities or those who prefer keyboard navigation can interact effectively and independently with digital content.
8.	Outcomes of the event	A keyboard accessibility program ensures websites and applications are user-friendly for keyboard-focused users, promoting inclusivity and compliance with accessibility standards in educational practices.

3.	Venue	Sri Shanmugha College Pharmacy-Seminar hall
4.	Name of the group institution that will participate	Sri Shanmugha College of Nursing for Women
5.	Number of Participants	6
6.	Resource person details	Mr.A.Lalith Kumar Production Sales Manager Greefi Technology
7.	Description of the event	When creating a slide deck for teaching, focus on visually engaging presentations that effectively convey content and engage students. Outline clear learning objectives and key concepts. Structure your deck logically with sections or topics that flow smoothly. Use headings and subheadings for clarity. Include relevant visuals like images, diagrams, charts, and videos to enhance understanding. Ensure visuals are high-quality and add value. Avoid overcrowding slides with text; use bullet points or keywords to summarize key points. Slides should support verbal explanations, not replace them.
8.	Outcomes of the event	Creating presentations for lessons, lectures, or training sessions ensures engaging and structured delivery. Narratives, stories, and visually compelling slides effectively illustrate concepts.
