LIST OF OPPORTUNITIES PROVIDED FOR THE STUDENTS FOR MIDCOURSE IMPROVEMENT OF PERFORMANCE IN THE EXAMINATIONS

Timely administration of CIE

As part of internal evaluation, tests are scheduled and conducted under the direct supervision of subject teachers. Test papers are prepared along with answer keys following the university question paper pattern. Students' performance is assessed based on the objectives and expected standards set by the university/INC.

Answer papers are corrected within one week of the test date, and answers are discussed when the papers are returned to students, ensuring timely feedback. Candidates who fail are informed about supplementary tests and receive sufficient guidance to improve their performance.

Makeup Assignments / tests

Make-up assignments are assigned to students with a specific deadline set by the respective subject teacher. These assignments are evaluated as part of the internal assessment process.

Failed students are provided with a minimum of two supplementary tests. If students pass these tests, they will receive 50% marks, regardless of their total score.

Remedial classes include revision and tests on topics that students find difficult to comprehend

Remedial teaching/support

Subject teachers organize remedial classes tailored to the needs of slow learners, scheduled after 4:30 pm on working days with prior permission from the Principal.

Circular

This is to inform you that the remedial classes will be conducted for the improvement of performance of the students from 20.12.2023 to 23.12.2023. Those who are failed in the First Sessional examinations are instructed to attend the remedial classes mentioned below:

Applied Anatomy and applied Physiology

Date	Topics	Faculty
20/12/2023	Structure of alimentary canal and accessory organs of digestion	Mrs. Kalaiselvi P
21/12/2023	Structure of blood components, blood vessels – Arterial and Venous system	Mrs. Shankari D
22/12/2023	Bones – types, structure, growth and ossification	Mrs. Dhivya K
23/12/2023	Cell physiology including transportation across cell membrane	Mrs. Kalaiselvi P

Applied Sociology and Applied Psychology

Date	Topics	Faculty
20/12/2023	Introduction psychology, attention, perception	Mrs. Swathika R
21/12/2023	Biology of Behavior	Mrs. Swathika R
22/12/2023	Family, Marriage	Mrs. Menaka R
23/12/2023	Population exploitation	Mrs. Menaka R
