SAFETY AND SECURITY

CCTV Cameras fixed in all round the College and Hostel

CCTV cameras have been strategically installed throughout the college premises and hostels to enhance the safety and security of female students and staff. By implementing CCTV surveillance, the institution reinforces its commitment to creating a safe environment where girls and women can study, work, and reside with peace of mind.

24x7 SECURITY AVAILABLE IN THE COLLEGE AND HOSTEL

Safety and security for the girls inside the Campus and Hostel.

The hostel and college premises benefit from full-time security personnel, ensuring round-the-clock protection and monitoring. To regulate movement and enhance safety protocols, students are required to obtain an out pass before leaving the campus. This system helps in tracking students' whereabouts and ensuring their safety outside the premises.

COMMON ROOM

Common room-place to sit, talk and relax

A common room in a college serves as a versatile space where students can relax, socialize, and engage in various activities outside of academic pursuits.
